25X1 Gross reported that [redacted] had received the highest award
25X1 given by [redacted]. Gross pointed out certain inadequacies in
contributions submitted for the annual report to the President's Board and
asked for help from the Deputy Directors, particularly as regards the subject
of deficiencies and steps being taken to meet them.

25X1 [redacted] for DDS&T reported that the U-2 has arrived at [redacted] 25X1
in accordance with contingency planning.

Executive Director noted that 18 September is the Agency's official
"birthday". A ceremony, including longevity awards, will take place at noon
on 17 September. It was agreed that the ceremony should be kept to no more
than 30 minutes.

DDCI reported establishment of an NSC operational planning committee
to deal with the subcontinent problem. Critchfield has been designated as the
Agency's representative.

DDCI noted that General Taylor is interesting himself in counterinsur-
gency. It was also noted that a special meeting of the Special Group (CI)
with Taylor in attendance has been set for 17 September.

DDCI briefed on his session yesterday with our Senate Subcommittee
which was chaired for the first time in some time by Senator Russell.
(See Action 4)

DDCI reported that he had discussed the world situation with the
Executive Committee of the [redacted] in New York last night. 25X1

ACTIONS

25X1 1. In regard to the next session with [redacted] and company, DDI
is to set a date for such a meeting, invite the participants, and put the
invitation to [redacted] in writing. (DDI -- meeting to be arranged before the
end of the month)

2. DDCI requested that briefing maps on Kashmir be clarified by
indicating areas of contention between India and Pakistan and between China
and India. (DDI)
